Dear Patient,

Your surgical procedure is scheduled at **Jamaica Hospital Medical Center** located at **8900 Van Wyck Expressway, Jamaica** New York 11418. Upon arrival on the date of your procedure you are to proceed to **Admitting**, which is located on the ground level of the facility.

If pre surgical testing is to be performed by your primary doctor, it should be faxed to our office at least **4 days prior** to your procedure. These tests include: Blood work (CBC, PT, PTT, SMA 20), urinalysis, chest X-Ray, EKG, and a letter of medical clearance signed by your doctor.

If pre surgical testing is to be done at Jamaica Hospital, a member of the hospital staff will contact you to schedule an appropriate time and date for the pre surgical testing to be performed. Pre testing is located in the Admitting office, which is located on the ground level. In case you have not heard from Jamaica Hospital **three days** before your procedure date, you should contact the Pre-testing office at (718)206-6565.

Pre-testing at Jamaica Medical Center: (718) 206-6565
